Hi John,

Sorry for the delayed response. I was out of town last week and this was delivered to my Junk Mail folder so I didn't see it until today. I am in receipt of your letter and, for the record, did not attend this golf outing.

Furthermore, I have never received any consideration, of any kind, from Project Flex, Walbridge, or Verrus. I am sure the staff has entered your letter i to the record.

Sincerely,
Sean

Subject: Request to Enter Attached Project Flex Correspondence into the Public Record

Dear Members of the Lyon Township Board of Trustees and Planning Commission:

As I requested during the August 5, 2026 Board of Trustees meeting, please enter the attached document, **“Formal Request for Immediate Disclosure, Disqualification Review, and Record Preservation,”** into the official public record and distribute it to all members of the Board of Trustees and

Planning Commission.

Please confirm receipt of this email and advise when the attached request has been entered into the record and referred to the appropriate Township officials for review.

Given the importance of these issues to the integrity of the Project Flex proceedings, I would also appreciate a written update regarding the status of the request and any actions the Township intends to take in response.

Thank you for your attention to this matter.

Sincerely,

John Valenzuela
